Program Office: Administration on Developmental Disabilities
Funding Opportunity Title: University Centers for Excellence in Developmental Disabilities Education, Research, and Service (UCEDD)
Announcement Type: Initial
Funding Opportunity Number: HHS-2011-ACF-ADD-DD-0138
CFDA Number: 93.632
Due Date for Applications: **02/15/2011**

Executive Summary:

The Administration on Developmental Disabilities (ADD) within the Administration for Children and Families (ACF), U.S. Department of Health and Human Services (HHS) announces that Fiscal Year (FY) 2011 applications will be accepted **to make five-year grants to up to two entities designated as University Centers for Excellence in Developmental Disabilities Education, Research, and Service (UCEDD)**. These grantees carry out four core functions: (1) interdisciplinary pre-service preparation and continuing education of students and fellows; (2) community services, including training, technical assistance, and/or demonstration and model activities; (3) research; and (4) dissemination of information. UCEDDs are interdisciplinary education, research, and public service units of universities, or public or not-for-profit entities associated with universities that implement the four core functions addressing, directly or indirectly, one or more of the areas of emphasis (e.g., quality assurance, education and early intervention, child care, health, employment, housing, transportation, recreation, and other services available or offered to individuals in a community, including formal and informal community supports, that affect their quality of life). Funds made available under this funding opportunity are used to pay for the Federal share of the cost of the administration and operation of programs designated as UCEDDs.

This program announcement contains instructions for the two existing UCEDDs that must submit FY 2011 grant applications for core funding to receive continued funding and designation as a UCEDD.

I. Funding Opportunity Description

Statutory Authority

The Statutory Authority for this funding opportunity is the Developmental Disabilities Assistance and Bill of Rights Act of 2000 (DD Act of 2000) (42 U.S.C. 15001, et seq.). The purpose of the DD Act of 2000 is to assure that individuals with developmental disabilities and their families participate in the design of and have access to needed community services, individualized supports, and other forms of assistance that promote self-determination, independence, productivity, and integration and inclusion in all facets of community life, through culturally competent programs [Section 101(b)]. To achieve this purpose, the DD Act of 2000 authorizes under subtitle D the National Network of University Centers for Excellence in Developmental Disabilities Education, Research, and Service to engage in systemic change, capacity building, and advocacy activities to improve the lives of individuals with developmental disabilities and their families and enhance participation in community life in the State.

According to Section 153 (a)(1) of the DD Act of 2000, UCEDDs are funded to provide leadership in, advise Federal, State, and community policymakers about, and promote opportunities for individuals with developmental disabilities to exercise self-determination, be independent, be productive, and be integrated

and included in all facets of community life. UCEDDs are defined as interdisciplinary education, research, and public service units of universities or public or non-profit entities associated with universities that engage in four core functions, addressing, directly or indirectly, one or more of the areas of emphasis.

The following is a description of the four core functions:

- Provision of interdisciplinary pre-service preparation and continuing education of students and fellows, which may include the preparation and continuing education of leadership, direct service, clinical or other personnel to strengthen and increase the capacity of States and communities to achieve the purpose of the DD Act of 2000.
- Provision of community services that provide training and/or technical assistance for individuals with developmental disabilities, their families, professionals, paraprofessionals, policymakers, students and other members of the community; and may provide services, supports and assistance for individuals with developmental disabilities, their families, professionals, paraprofessionals, policymakers, students, and other members of the community through demonstration and model activities;
- Conduct of research, which may include basic or applied research, evaluation, and the analysis of public policy in areas that affect or could affect, either positively or negatively, individuals with developmental disabilities and their families; and
- Dissemination of information related to activities undertaken to address the purpose of the DD Act of 2000, especially dissemination of information that demonstrates that the national network of UCEDDs is a national and international resource that includes specific substantive areas of expertise that may be accessed and applied in diverse settings and circumstances.

According to Section 152 of the DD Act of 2000, grants must be made to each UCEDD that existed in the preceding Fiscal Year that meets the requirements of subtitle D. Funds are used to pay for the Federal share of the cost of the administration and operation of the UCEDD. The DD Act of 2000 defines a State as the 50 States, the District of Columbia, Puerto Rico, the U.S. Virgin Islands, and Guam. Currently, there are 67 grants that fund UCEDDs in every State and Territory.

Description

As defined in the DD Act of 2000, the term "developmental disability" means a severe, chronic disability of an individual that is attributable to a mental or physical impairment or combination of mental and physical impairments that is manifested before the individual attains age 22, and is likely to continue indefinitely. Developmental disabilities result in substantial limitations in three or more of the following functional areas: self-care, receptive and expressive language, learning, mobility, self-direction, and capacity for independent living and economic self-sufficiency.

The DD Act of 2000 identifies a number of significant findings, including:

- Disability is a natural part of the human experience that does not diminish the right of individuals with developmental disabilities to enjoy the opportunity for independence, productivity, integration and inclusion into the community.
- Individuals whose disabilities occur during their developmental period frequently have severe disabilities that are likely to continue indefinitely.
- Individuals with developmental disabilities often require lifelong specialized services and assistance, provided in a coordinated and culturally competent manner by many agencies, professionals, advocates, community representatives and others to eliminate barriers and to meet the needs of such individuals and their families.

The DD Act of 2000 also promotes the best practices and policies presented below:

- Individuals with developmental disabilities, including those with the most severe developmental

disabilities, are capable of achieving independence, productivity, integration and inclusion into the community, and often require the provision of services, supports, and other assistance to achieve such.

- Individuals with developmental disabilities have competencies, capabilities, and personal goals that should be recognized, supported, and encouraged, and any assistance to such individuals should be provided in an individualized manner, consistent with the unique strengths, resources, priorities, concerns, abilities, and capabilities of the individual.
- Individuals with developmental disabilities and their families are the primary decision makers regarding the services and supports such individuals and their families receive, and play decision making roles in policies and programs that affect the lives of such individuals and their families.

Toward these ends, ADD seeks to support and accomplish the following:

- Support the increasing ability of individuals with developmental disabilities to exercise greater choice and self-determination, and to engage in leadership activities in their communities;
- Enhance the capabilities of families in assisting individuals with developmental disabilities to achieve their maximum potential;
- Promote systemic change activities that ensure the active and meaningful engagement and participation of individuals with developmental disabilities in community-based programs and services;
- Promote the active involvement of individuals with developmental disabilities and families in all aspects of grantee programs, activities, and services;
- Ensure the protection of the legal and human rights of individuals with developmental disabilities;
- Ensure that individuals with developmental disabilities from culturally and linguistically diverse backgrounds and their families enjoy increased and meaningful opportunities to access and use community services, individualized supports, and other forms of assistance available to other individuals with developmental disabilities and their families; and
- Promote recruitment efforts that increase the number of individuals from culturally and linguistically diverse backgrounds who work with individuals with developmental disabilities and their families in disciplines related to pre-service training, community training, practice, administration, and policymaking.

According to Section 153 (a)(1) of the DD Act of 2000, UCEDDs are funded to provide leadership in, advise Federal, State, and community policymakers about, and promote opportunities for individuals with developmental disabilities to exercise self-determination, be independent, be productive, and be integrated and included in all facets of community life. UCEDDs are defined as interdisciplinary education, research, and public service units of universities or public or non-profit entities associated with universities that engage in four core functions, addressing, directly or indirectly, one or more of the areas of emphasis.

The following is a description of the four core functions:

- Provision of interdisciplinary pre-service preparation and continuing education of students and fellows, which may include the preparation and continuing education of leadership, direct service, clinical, or other personnel to strengthen and increase the capacity of States and communities to achieve the purpose of the DD Act of 2000.
- Provision of community services that provide training and/or technical assistance for individuals with developmental disabilities, their families, professionals, paraprofessionals, policymakers, students and other members of the community; and may provide services, supports, and assistance for individuals with developmental disabilities, their families, professionals, paraprofessionals, policymakers, students, and other members of the community through demonstration and model activities;
- Conduct of research, which may include basic or applied research, evaluation, and the analysis of public policy in areas that affect or could affect, either positively or negatively, individuals with developmental disabilities and their families; and

- Dissemination of information related to activities undertaken to address the purpose of the DD Act of 2000, especially dissemination of information that demonstrates that the national network of UCEDDs is a national and international resource that includes specific substantive areas of expertise that may be accessed and applied in diverse settings and circumstances.

National Network of University Centers for Excellence in Developmental Disabilities Education, Research, and Service

The National Network of UCEDDs comprise 67 grants that establish Centers which are interdisciplinary education, research, and public service units of universities or public or not-for-profit entities associated with universities that engage in four core functions: interdisciplinary pre-service preparation and continuing education; community services (including training and/or technical assistance, and/or services, supports, and assistance); research; and dissemination of information and address, directly or indirectly, one or more areas of emphasis (e.g., quality assurance, education and early intervention, child care, health, employment, housing, transportation, recreation, and other services available or offered to individuals in a community, including formal and informal community supports, that affect their quality of life).

As liaisons to service delivery systems, UCEDDs serve to positively affect the lives of individuals with developmental disabilities and their families, and work toward increasing their independence, productivity, inclusion and integration into communities. UCEDD accomplishments include:

- *Directing exemplary interdisciplinary pre-service preparation and continuing education.* The provision of formal training is offered in an interdisciplinary format where faculty and trainees represent a variety of disciplines, such as pediatrics, education, psychology, and nursing, thereby expanding opportunities for students to learn about the differing perspectives of various professionals who are providing services to, and working on behalf of, individuals with developmental disabilities and their families.
- *Providing community services.* Staff offer expertise and inform the field through training, technical assistance, and demonstration and model activities to individuals with developmental disabilities, their families, support service organizations, professionals, paraprofessionals, students, systems, volunteers, and others.
- *Conducting research.* UCEDDs contribute to the development of new knowledge through various research activities that may include the field testing of models of service delivery and evaluation of existing innovative practices.
- *Dissemination information to the field.* UCEDDs work to bridge the gap between research and practice by developing products and resources in a variety of formats that are then disseminated to the field.

II. Award Information

Funding Instrument Type:	Grant
Estimated Total Funding:	\$1,070,000
Expected Number of Awards:	2
Award Ceiling:	\$535,000 Per Budget Period
Award Floor:	\$535,000 Per Budget Period
Average Projected Award Amount:	\$535,000 Per Budget Period

Length of Project Periods:

60-month project with five 12-month budget periods

Additional Information on Awards:

Awards made under this announcement are subject to the availability of Federal funds.

The application should provide a budget for each 12-month budget period of the grant.

Non-competing continuation awards will be offered in subsequent years of the grant.

The award amount for each year of the grant is dependent upon fiscal year appropriations and cost of living adjustments. Therefore, the first 12-month budget period may differ from the award amounts for the continuation award budget periods.

Please see *Section IV.5 Funding Restrictions* for any limitations on the use of grant funds awarded under this announcement.

III. Eligibility Information

III.1. Eligible Applicants

Section 151(a) of the DD Act of 2000 states that appropriations authorized under section 156(a)(1) of the DD Act shall be used to make five-year grants to entities in each State designated as UCEDDs to carry out the four core functions of interdisciplinary pre-service preparation and continuing education, community services, research, and information dissemination. Entities eligible to apply for funds under this program announcement are the three current ADD grantees that are designated UCEDDs whose five-year funding will end on June 30, 2011. Application is limited to the two entities referenced in the Description. See the list below for eligible UCEDDs.

(1) University of Arizona, Sonoran UCEDD, Tucson, AZ

(2) University of California, Davis, University Center for Excellence in Developmental Disabilities, Sacramento, CA

Individuals, foreign entities, and sole proprietorship organizations are not eligible to compete for, or receive, awards made under this announcement.

III.2. Cost Sharing or Matching

Cost Sharing / Matching Requirement: Yes

Grantees are required to meet a non-Federal share of the project cost, in accordance with **Section 154(d) of the Developmental Disabilities Assistance and Bill of Rights Act of 2000**

Grantees must provide at least **25** percent of the total approved cost of the project. The total approved cost of the project is the sum of the ACF (Federal) share and the non-Federal share. The non-Federal share may be met by cash or in-kind contributions, although applicants are encouraged to meet their match requirements through cash contributions. For example, in order to meet the match requirements, a project requesting **\$535,000.00** in ACF (Federal) funds must provide a non-Federal share of the approved total project cost of at least **\$178,333.00**, which is **25** percent of total approved project cost of **\$713,333.00**. Grantees will be held accountable for commitments of non-Federal resources even if they exceed the amount of the required match. Failure to provide the required amount will result in the disallowance of Federal funds. A lack of supporting documentation at the time of application submission will not exclude the application from competitive review.

Reduced Match

Section 154 (d)(2) of the DD Act states:

In the case of a project whose activities or products target individuals with developmental disabilities who live in an urban or rural poverty area, as determined by the Secretary, the Federal share of the cost of the project may not be more than 90 percent of the necessary costs of the project, as determined by the

Secretary.

DEFINITIONS (from the Census Bureau)

Poverty area: Census tracts or block numbering areas (BNAs) where at least 20 percent of residents are below the poverty level.

Urban Area: Collective term referring to all areas that are urban. For Census 2000, there are two types of urban areas: urban clusters and urbanized areas.

- **Urban Cluster (UC):** A densely settled territory that has at least 2,500 persons but fewer than 50,000.
- **Urbanized Area (UA):** An area consisting of a central place(s) and adjacent territory with a general population density of at least 1,000 persons per square mile of land area that together have a minimum residential population of at least 50,000 persons. The U.S. Census Bureau uses published criteria to determine the qualification and boundaries of UAs.
- **Rural:** Territory, population, and housing units not classified as urban. Rural classification cuts across other hierarchies and can be in metropolitan or non-metropolitan areas. Rural can include frontier, which are places having a population density of six or fewer persons per square mile.

TWO-TIER ELIGIBILITY SYSTEM FOR REDUCED MATCH

To meet the requirements in the DD Act, ADD has developed a system that UCEDDs can use to request a reduced match on the core grant. Such a request is optional and not a requirement for UCEDDs.

ADD will use a two-tiered system for determining eligibility for the reduced match:

- **Tier 1:** UCEDDs in States where the poverty rate is equal to or greater than the official national poverty rate would automatically qualify for the reduced match. For 2009, the rate was 13.8 percent.
- **Tier 2:** UCEDDs in States with a poverty rate not equal to or greater than the official national poverty rate would have to show that the UCEDD activities target individuals with developmental disabilities in urban or rural poverty areas. In doing so, the UCEDD would demonstrate that at least 25 percent of the UCEDD projects target individuals with developmental disabilities who live in urban and rural poverty areas by providing the following information to ADD:
 - The current State poverty rate;
 - A full listing of all the UCEDD's current projects [this can be generated from the National Information Reporting System (NIRS)];
 - Identify which UCEDD activities are targeting individuals with developmental disabilities living in urban and rural poverty areas by stating whether the UCEDD activity is associated with any of the Urban and Rural Poverty Indicators listed in the announcement or is targeted for individuals with developmental disabilities in an urban and rural poverty area through some other means. A UCEDD seeking to establish eligibility for a reduced match through means other than showing an activity is associated with one or more of the Urban and Rural Poverty Indicators must include in its application other information that establishes that its activities are targeted to benefit individuals with developmental disabilities in an urban or rural poverty area. Because there are not Federal poverty rates for Puerto Rico, Guam, and the Virgin Islands, these jurisdictions can qualify for the reduced match by establishing that the UCEDD activity is associated with any of the Urban or Rural Poverty Indicators listed in the announcement or is targeted for individuals with developmental disabilities in an urban or rural poverty area through some other means.
 - The table below shows the Urban or Rural Poverty Indicators that will be used to determine eligibility for the reduced match.

Urban and Rural Poverty Indicator	Description
-----------------------------------	-------------

Empowerment Zones and Enterprise Communities (EZ/EC)	Areas designated by the U.S. Department of Agriculture as communities with high rates of poverty. The UCEDD project would have to be implemented in an EZ/EC.
Food Stamps	The Food Stamp Program helps low-income people and families buy the food they need for good health. The UCEDD project would have to target individuals with DD and their families who receive food stamps.
National School Lunch Program (NSLP) - also referred to as Free and Reduced Lunch Program	NSLP is a Federally assisted meal program operating to provide low-cost or free lunches to children. The UCEDD project would have to be implemented in a school that qualifies for the NSLP.
Head Start	The Head Start program provides grants to local public and private non-profit and for-profit agencies to provide comprehensive child development services to economically disadvantaged children and families. The UCEDD project would have to work with a Head Start program.
Housing Assistance	The U.S. Department of Housing and Urban Development has a variety of housing assistance programs, such as Section 8 housing assistance programs. The UCEDD project would have to target individuals with DD and their families who are receiving Federal housing assistance.
Medicaid	Title XIX of the Social Security Act is a Federal/State entitlement program that pays for medical assistance for certain individuals and families with low incomes and resources. The UCEDD project would have to target individuals with DD and their families who are Medicaid-eligible.
Supplemental Security Income (SSI)	SSI is designed to help aged, blind and disabled people, who have little or no income. It provides cash to meet basic needs for food, clothing, and shelter. The UCEDD project would have to target individuals with DD who are SSI recipients.
Temporary Assistance for Needy Families (TANF)	TANF is a Federal poverty program that provides assistance and work opportunities to needy families through grants to States. The UCEDD project would have to target individuals with DD, children with DD, and their families who are TANF recipients.
Other	The UCEDD may provide other indicators of poverty not included in this list. The UCEDD would have to provide adequate information to justify use of the 'other' category. In doing so, the UCEDD will have to demonstrate the project is targeting individuals with developmental disabilities in rural and urban poverty areas. ADD will determine the adequacy of the justification for eligibility for a reduced match.

ADD will review all the information submitted by the UCEDD to determine eligibility for the reduced match.

The total approved cost of the project is the sum of the ACF share and the reduced non-Federal share. The reduced non-Federal share may be met by cash or in-kind contributions, although applicants are encouraged to meet their match requirements through cash contributions. For example, in order to meet the match requirements, a project with a total approved project cost of \$594,000 requesting \$535,000 in ACF funds, must provide a non-Federal share of at least \$59,444 (10 percent of total approved project cost of \$594,000). Grantees will be held accountable for commitments of non-Federal resources even if they

exceed the amount of the required match. Failure to provide the required amount will result in the disallowance of Federal funds. A lack of supporting documentation at the time of application will not exclude the application from competitive review.

III.3. Other

Disqualification Factors

Applications with requests that exceed the ceiling on the amount of individual awards as stated in *Section II. Award Information*, will be deemed non-responsive and will not be considered for funding under this announcement.

Applications that fail to satisfy the due date and time deadline requirements stated in *Section IV.3. Submission Dates and Times*, will be deemed non-responsive and will not be considered for funding under this announcement.

See *Section IV.3. Submission Dates and Times* for disqualification information specific to electronically-submitted applications:

- Electronically-submitted applications that do not receive a date/time-stamp email indicating application submission on or before 4:30 p.m., eastern time, on the due date, will be disqualified and will not be considered for competition.
- Electronically-submitted applications that fail the checks and validations at www.Grants.gov because the Authorized Organization Representative (AOR) does not have a current registration at the Central Contractor Registry (CCR) at the time of application submission will be disqualified and will not be considered for competition.

Applications received from entities other than the two eligible applicants, cited in *Section III.1.* of this announcement, will be considered non-responsive and will not be considered for funding under this announcement. Applications disqualified for this reason will not be returned.

Section IV. Application and Submission Information

Section IV.2. Content and Form of Application Submission

Applicants are required to submit one original and two copies of all application materials if applying in hard-copy. Applicants submitting applications electronically via www.grants.gov need not provide additional copies of their application materials.

The original signature of the Authorized Organization Representative (AOR) is required only on the original copy. The AOR is named by the applicant, and is authorized to act for the applicant, to assume the obligations imposed by the Federal laws, regulations, requirements, and conditions that apply to the grant application or awards. A point of contact on matters involving the application must also be identified on the SF-424 at item 8f. The point of contact, known as the Project Director or Principal Investigator, should not be identical to the person identified as the AOR.

Except for the required Standard Forms (SFs), application materials for both hard copy and electronic submissions must be submitted on 8 ½" x 11" white paper with 1-inch margins. **All pages of the application submission must be sequentially numbered.** Project Descriptions, narratives, summaries, etc., must be in double-spaced format in 12-point font. Application materials must be one-sided for duplication purposes. Application copies (original and two copies) must not be bound, they may be clipped or rubber-banded together.

Page limitations do not include the required Standard Forms. A formula will be applied to application materials that are submitted in other than a double-spaced format. Pages that are determined to be in excess of the page limitation will be removed and will not be reviewed.

This section provides specific information on page limitations, the required Standard Forms and other forms, certifications and assurances, D-U-N-S Number and Central Contractor Registration (CCR) requirements, the project description, budget and budget justification, and methods of application submission.

This section may also include the order of assembly for hard copy application submissions.

A checklist of required application elements is available for applicants' use in *Section VIII* of this announcement.

PROJECT DESCRIPTION

The project description must not exceed 50 pages. The 50 page project description ***does not*** include the abstract, table of contents, appendix, budget and budget narrative, or the standard forms.

APPENDIX

The Appendix must not exceed 40 pages. Supplementary material, intended to provide examples of activities, may be included in the Appendix for reviewers but shall adhere to the page limit requirement.

PROJECT BUDGET DEVELOPMENT

Applicants should include in their budget funds to pay for travel expenses to attend at least one ADD-sponsored Project Director's two-day meeting in Washington, DC. Budget funds may also be used to support the travel of data coordinators to attend an annual training on the National Information

Reporting System (NIRS). All other travel costs must be related to the implementation of the four core functions and the operation or administration of the Center.

The budget narrative should also include information about how core grant funds are being used to support activities of the Consumer Advisory Committee (CAC), such as reimbursement for travel, monetary compensation, and staff positions.

Forms, Assurances, and Certifications

Applicants seeking financial assistance under this announcement must submit the listed Standard Forms (SFs), assurances, and certifications. All required Standard Forms, assurances, and certifications are available at [ACF Funding Opportunities Forms](#) or at the [Grants.gov Forms Repository](#) unless specified otherwise.

Forms / Assurances / Certifications	Submission Requirement	Notes / Description
Central Contractor Registration (CCR)	Required of all applicants.	Required of all applicants.
DUNS Number (Universal Identifier)	Required of all applicants.	Required of all applicants.

SF-LLL - Disclosure of Lobbying Activities, if applicable	If applicable, submission is required prior to award.	If any funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this commitment providing for the United States to insure or guarantee a loan, the applicant shall complete and submit the SF-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions. Applicants must furnish an executed copy of the Certification Regarding Lobbying prior to award.
SF-424A - Budget Information - Non-Construction Programs SF-424B - Assurances - Non-Construction Programs	Submission required for all applicants applying for a non-construction project by the application due date.	Required for all applications.

Certification Regarding Lobbying	Submission required of all applicants prior to award.	Required for all applications.
Maintenance of Effort (MOE) Certification	Submission required of all applicants.	Required for all applications.

The Pro-Children Act of 2001, 42 U.S.C. 7181 through 7184, imposes restrictions on smoking in facilities where federally funded children's services are provided. HHS grants are subject to these requirements only if they meet the Act's specified coverage. The Act specifies that smoking is prohibited in any indoor facility (owned, leased, or contracted for) used for the routine or regular provision of kindergarten, elementary, or secondary education or library services to children under the age of 18. In addition, smoking is prohibited in any indoor facility or portion of a facility (owned, leased, or contracted for) used for the routine or regular provision of federally funded health care, day care, or early childhood development, including Head Start services to children under the age of 18. The statutory prohibition also applies if such facilities are constructed, operated, or maintained with Federal funds. The statute does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, portions of facilities used for inpatient drug or alcohol treatment, or facilities where WIC coupons are redeemed. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to \$1,000 per violation and/or the imposition of an administrative compliance order on the responsible entity.

By signing and submitting the application, applicants are making the appropriate certification of their compliance with all Federal statutes relating to nondiscrimination.

Additional information on certifications and assurances may be found in the HHS Grants Policy Statement at: <http://www.acf.hhs.gov/grants/notices.html#policy>.

DD Act Assurances

The application for core funding must contain assurances that the applicant will work towards achievement of the purpose of the DD Act of 2000 through implementation of the UCEDD program requirements in the Act. The applicant can copy and paste the assurances listed below and sign and date at the bottom of the page or use the template in the appendix of this announcement.

1. The entity designated as the UCEDD will meet statutory and regulatory requirements that apply to Centers.
2. The entity designated as the UCEDD will address the projected goals and carry out goal-related activities in a manner consistent with the objectives of the DD Act of 2000.
3. The goal-related activities must be:
 - Based on data-driven strategic planning;
 - Developed in collaboration with the CAC;
 - Consistent with, and to the extent feasible, complement and further the State Developmental Disabilities Council goals contained in the State plan, the goals of the State Protection and Advocacy System and the other University Center(s) in the State; and
 - Reviewed and revised annually, as necessary, to address emerging trends and need.
4. Funds made available through the grant will be used to supplement, and not supplant, the funds that would otherwise be made available for activities related to interdisciplinary pre-service preparation and continuing education, community services, research, and information dissemination.
5. The entity designated as the UCEDD will protect the legal and human rights of all individuals with

developmental disabilities (especially those individuals under State guardianship) who are involved in activities carried out under programs assisted by the DD Act of 2000.

6. The entity designated as the UCEDD will maintain a CAC that:

- Includes a majority of individuals with developmental disabilities and family members of such individuals;
- Also includes representatives of: The State Developmental Disabilities Council; State Protection and Advocacy System; and the other UCEDD(s) in the State; a self-advocacy organization described in Section 124(c)(4)(A)(ii)(I) of the DD Act of 2000; and organizations that may include Parent Training and Information Centers assisted under Sections 671 and 672 of the Individuals with Disabilities Education Improvement Act of 2004, entities carrying out activities in assistive technology authorized under Sections 4 or 5 of the Assistive Technology Act of 2004, relevant State agencies, and other community groups concerned with the welfare of individuals with developmental disabilities and their families;
- Reflects the racial and ethnic diversity of the State;
- Is consulted regarding the development of the five-year plan, participates in an annual review, and comments on progress in meeting projected goals; and
- Meets as often as necessary, but at a minimum of twice during each grant year.

7. To the extent possible, the infrastructure and resources obtained through funds made available under the grant will be utilized to leverage additional public and private funds to successfully achieve the projected goals developed in the five-year plan.

8. The director of the UCEDD will hold appropriate academic credentials, demonstrate leadership, have expertise regarding developmental disabilities, have significant experience in managing grants and contracts, and have the ability to leverage public and private funds; and will allocate adequate staff time to carry out activities related to each of the four core functions.

9. The entity designated as the UCEDD will educate and disseminate information related to the purpose of the DD Act of 2000 to the legislature of the State in which the Center is located and to Members of Congress from the State.

Private, non-profit organizations are encouraged to submit with their applications the survey titled *Survey on Ensuring Equal Opportunity for Applicants* found under the "Survey" heading at:

http://www.acf.hhs.gov/grants/grants_resources.html.

Please see *Section V.1* for instructions on preparing the full project description.

Please reference *Section IV.3* for details about acknowledgement of received applications.

Non-Federal Reviewers

Since ACF will be using non-Federal reviewers in the review process, applicants have the option of omitting from the application copies (not the original) specific salary rates or amounts for individuals specified in the application budget as well as Social Security Numbers, if otherwise required for individuals. The copies may include summary salary information. If applicants are submitting their application electronically, ACF will omit the same specific salary rate information from copies made for use during the review and selection process.

DUNS Number and CCR Registration Requirements

DUNS Number Requirement

All applicants for grants and cooperative agreements must have a DUNS number (Data Universal Numbering System) at the time of application. A DUNS number is required whether an applicant is submitting a paper application or using the Government-wide electronic portal, www.Grants.gov.

A DUNS number is required for every application for a new award or renewal/continuation of an award, including applications or plans under formula, entitlement, and block grant programs. A DUNS number may be acquired at no cost online at <http://www.dnb.com>. To acquire a DUNS number by phone, contact the D&B Government Customer Response Center:

U.S. and U.S. Virgin Islands: 1-866-705-5711

Alaska and Puerto Rico: 1-800-234-3867 (Select Option 2, then Option 1)

Monday - Friday 7 AM to 8 PM c.s.t.

The process to request a D-U-N-S® Number by telephone takes between 5 and 10 minutes.

CCR Registration Requirement

Effective October 1, 2010, HHS requires all entities that plan to apply for and ultimately receive Federal grant funds from any HHS Operating/Staff Division (OPDIV) or receive subawards directly from recipients of those grant funds to:

- Be registered in the CCR prior to submitting an application of plan;
- Maintain an active CCR registration with current information at all times during which it has an active award or an application or plan under consideration by an OPDIV; and
- Provide its DUNS number in each application or plan it submits to the OPDIV.

An award cannot be made until an applicant has complied with these requirements. At the time an award is ready to be made, if the intended recipient has not complied with these requirements, the OPDIV:

- May determine that the applicant is not qualified to receive an award; and
- May use that determination as a basis for making an award to another applicant.

Additionally, all first-tier subaward recipients (i.e., direct subrecipient) must have a DUNS number at the time the subaward is made

CCR registration may be made online at <https://www.bpn.gov/ccr/> or by phone at 1-877-252-2700.

Due to the possibility of heavy traffic at the CCR website, applicants are strongly encouraged to register at the CCR well in advance of the application due date.

Definitions:

Central Contractor Registration (CCR): The Federal registrant database and repository into which an entity must provide information required for the conduct of business as a recipient. CCR, managed by the General Services Administration, collects, validates, stores, and disseminates data in support of agency financial assistance missions.

Data Universal Numbering System (DUNS) Number: The nine-digit number established and assigned by Dun and Bradstreet, Inc. (D&B) to uniquely identify business entities.

Entity:

Means all of the following:

- A Governmental organization, which is a State, local government, or Indian tribe;
- A foreign public entity;
- A domestic or foreign for-profit organization; and
- A Federal agency, but only as a subrecipient under an award or subaward to a non-Federal entity.

Subaward: This term means a legal instrument to provide support for the performance of any portion of the substantive project or program for which you received this award and that the recipient awards to an eligible subrecipient.

- This term does not include the procurement of property and services needed to carry out the project or program (for further explanation, see Sec. --.210 of the attachment to OMB Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations").
- A subaward may be provided through any legal agreement, including an agreement that the grantee or a subrecipient consider to be a contract.

First Tier Subrecipient: An entity that receives a subaward from a prime grantee and is accountable to the prime for the use of the Federal funds provided by the subaward.

The Project Description

Part I: The Project Description Overview

The project description provides the majority of information by which an application is evaluated and ranked in competition with other applications for available assistance. The project description should be concise and complete. It should address the activity for which Federal funds are being requested. Supporting documents should be included where they can present information clearly and succinctly. In preparing the project description, information that is responsive to each of the requested evaluation criteria must be provided. Awarding offices use this and other information in making their funding recommendations. It is important, therefore, that this information be included in the application in a manner that is clear and complete.

General Expectations and Instructions

ACF is particularly interested in specific project descriptions that focus on outcomes and convey strategies for achieving intended performance. Project descriptions are evaluated on the basis of substance and measurable outcomes, not length. Extensive exhibits are not required. Cross-referencing should be used rather than repetition. Supporting information concerning activities that will not be directly funded by the grant or information that does not directly pertain to an integral part of the grant-funded activity should be placed in an appendix.

Part II: General Instructions for Preparing a Full Project Description

Introduction

Applicants that are required to submit a full project description shall prepare the project description statement in accordance with the following instructions while being aware of the specified evaluation criteria. The topics listed in this section provide a broad overview of what the project description should include while the Criteria in *Section V.I* identify the measures that will be used to evaluate applications.

Table of Contents

List the contents of the application including corresponding page numbers.

Project Summary/Abstract

Provide a summary of the application's project description. The summary must be clear, accurate, concise, and without reference to other parts of the application. The abstract must include a brief description of the proposed grant project including the needs to be addressed, the proposed services, and the population group(s) to be served.

Please place the following at the top of the abstract:

- Project Title
- Applicant Name
- Address

- Contact Phone Numbers (Voice, Fax)
- E-Mail Address
- Web Site Address, if applicable

The project abstract must be single-spaced and limited to one page in length.

Objectives And Need For Assistance

Clearly identify the physical, economic, social, financial, institutional, and/or other problem(s) requiring a solution. The need for assistance including the nature and scope of the problem must be demonstrated, and the principal and subordinate objectives of the project must be clearly and concisely stated; supporting documentation, such as letters of support and testimonials from concerned interests other than the applicant, may be included. Any relevant data based on planning studies or needs assessments should be included or referred to in the endnotes/footnotes. Incorporate demographic data and participant/beneficiary information, as needed. In developing the project description, the applicant may volunteer or be requested to provide information on the total range of projects currently being conducted and supported (or to be initiated), some of which may be outside the scope of the program announcement.

Approach

Outline a plan of action that describes the scope and detail of how the proposed work will be accomplished. Account for all functions or activities identified in the application. Cite factors that might accelerate or decelerate the work and state your reason for taking the proposed approach rather than others. Describe any unusual features of the project such as design or technological innovations, reductions in cost or time, or extraordinary social and community involvement.

Provide quantitative monthly or quarterly projections of the accomplishments to be achieved for each function or activity in such terms as the number of people to be served and the number of activities accomplished. Data may be organized and presented as project tasks and subtasks with their corresponding timelines during the project period. For example, each project task could be assigned to a row in the first column of a grid. Then, a unit of time could be assigned to each subsequent column, beginning with the first unit (i.e., week, month, quarter) of the project and ending with the last. Shading, arrows, or other markings could be used across the applicable grid boxes or cells, representing units of time, to indicate the approximate duration and/or frequency of each task and its start and end dates within the project period.

When accomplishments cannot be quantified by activity or function, list them in chronological order to show the schedule of accomplishments and their target dates.

Provide a list of organizations, cooperating entities, consultants, or other key individuals who will work on the project, along with a short description of the nature of their effort or contribution.

Below are the instructions for responding to this announcement that follow requirements set forth in the DD Act of 2000 with regard to the UCEDD program.

A. Five-Year Plan

The application for core funding must describe a five-year plan for meeting the purpose of the DD Act of 2000. The plan must outline a projected measurable goal for one or more area(s) of emphasis (e.g., quality assurance, education and early intervention, child care, health, employment, housing, transportation, recreation, and other services available or offered to individuals in a community, including formal and informal community supports, that affect their quality of life) for each core function. The five-year plan must describe how the goals and the goal-related activities:

- Are based on data-driven strategic planning;
- Were developed in collaboration with the CAC;

- Are consistent with, and to the extent feasible, complement and further the State Developmental Disabilities Council goals contained in the State plan, the goals of the State Protection and Advocacy System, and the other UCEDD(s) in the State;
- Will be reviewed and revised annually, as necessary, to address emerging trends and needs; and
- Will be implemented in a manner consistent with the objectives of the DD Act of 2000.

The five-year plan should include a description of how the core funding is used as a resource to support program infrastructure and how it will be utilized to leverage additional public and private funds to successfully achieve the projected goals developed in the five-year plan.

The five-year plan must describe how the applicant will carry out each of the following four UCEDD core functions:

- ***Interdisciplinary Pre-service Preparation and Continuing Education*** includes the preparation and continuing education of students and fellows representing leadership, direct service, clinical, or other personnel to strengthen and increase the capacity of States and communities. Interdisciplinary Pre-service Preparation and Continuing Education is a formal training program that usually takes place in an academic setting or program and (a) leads to the award of an initial academic degree or certificate; (b) includes internship, practicum, fellowship, or residency activities; or (c) represents advancement in academic credentials through a course of study. UCEDDs must demonstrate in the application how they will promote recruitment efforts that increase the number of individuals from culturally and linguistically diverse backgrounds working with people with developmental disabilities and their families in disciplines related to pre-service training, community training, practice, administration, and policymaking. The application should describe the role of individuals with developmental disabilities and family members in the training program (e.g., serving as lead instructors, co-instructors, curriculum developers). The application should describe how the training program offers an interdisciplinary approach to teaching and learning, which may include the use of a core curriculum. At the very least, the description should include an overview of the variety of disciplines represented in both the faculty and students, which may include:

- o Audiology
- o Community Development
- o Dentistry
- o Early Intervention
- o Early Childhood Education
- o Early Childhood Special Education
- o Economics
- o Educational Administration
- o Engineering
- o General Education
- o Health Administration
- o Law
- o Medicine
- o Nursing
- o Nutrition
- o Occupational Therapy
- o Pediatric Dentistry
- o Pediatrics
- o Physical Therapy
- o Psychiatry
- o Psychology
- o Public Health
- o Public Policy

- o Social Work
 - o Special Education
 - o Speech-Language Pathology
 - o Others
- **Community Services** include the provision of training, technical assistance, and/or demonstration and model activities of services, supports and assistance for individuals with developmental disabilities, their families, professionals, paraprofessionals, policymakers, students, and other members of the community. Community services provide education and support activities so communities can be accessible and responsive to the needs of individuals with developmental disabilities and their families. Community services also work towards creating communities that are enriched by the full and active participation and contributions of individuals with developmental disabilities and their families in community activities. Community services promote the inclusion and integration of individuals with developmental disabilities and families in all aspects of community life through the delivery of programs, projects, activities, and services in community-based settings rather than academic or traditional clinical settings. The provision of community services should ensure that individuals with developmental disabilities from racial and ethnic minority backgrounds and their families enjoy increased and meaningful opportunities to access and use community services, individualized supports, and other forms of assistance available to other individuals with developmental disabilities and their families.
 - **Research** includes basic or applied research, evaluation, and the analysis of public policy in areas that affect or could affect, either positively or negatively, individuals with developmental disabilities and their families. To the extent possible, UCEDDs should seek to include people with developmental disabilities and their families, including those from culturally and linguistically diverse groups, as active participants in the research process thereby ensuring that these individuals and their families contribute to the development, design, and implementation of research activities, as well as the dissemination of research information.
 - **Information Dissemination** includes the distribution of knowledge that demonstrates the UCEDD Network as a national and international resource with substantive areas of expertise that may be accessed and applied in diverse settings and circumstances. The UCEDD should educate and disseminate information related to the purpose of the DD Act of 2000 to the legislature of the State in which the Center is located and to members of Congress from the State. UCEDDs should strive to translate research into practice in the dissemination of information. Information should be developed and disseminated using principles of universal design to ensure that resources are available in multiple accessible formats and in a culturally competent manner. UCEDDs should include people with developmental disabilities and families, including those from culturally and linguistically diverse backgrounds, in the development of products and resources that are disseminated.

B. Organizational Structure and Experience

As stated in Section 151(a) of the DD Act of 2000, the Secretary makes awards to entities designated as UCEDDs to carry out the activities described in Section 153. A UCEDD is an interdisciplinary education, research, and public service unit of a university or a public or non-profit entity associated with a university that engages in four core functions [Section 153(a)(1)].

In order to receive funds under this program announcement, an applicant must provide evidence that the entity is an interdisciplinary education, research, and public service unit of a university or public or non-profit entities associated with a university that engage in four core functions. Such evidence may be provided by including the following in the application for core funding:

- Description of the organizational structure of the UCEDD, including an organizational chart and a conceptual overview of the program framework.
- An overview of the management of the Center.

- A description of how the UCEDD manages implementation of the four UCEDD core functions.
- Documentation of the establishment and independence of the UCEDD:
 - For UCEDDs in Institutes of Higher Education, documentation that establishes the UCEDD as an independent entity within the Institute of Higher Education with the authority to carry out the four core functions of interdisciplinary pre-service preparation and continuing education, community services, research and information dissemination.
 - For UCEDDs affiliated with Institutes of Higher Education, documentation that establishes the UCEDD and describes an affiliation with at least one Institute of Higher Education.

The application should describe the qualifications of the faculty and staff assigned to the UCEDD grant. The UCEDD staff shall include a director with:

- Appropriate academic credentials;
- Demonstrated leadership;
- Expertise regarding developmental disabilities;
- Significant experience in managing grants and contracts; and
- The ability to leverage public and private funds (section 154 (a)(3)(G)).

The application should explain how the UCEDD will:

- Maintain the faculty and staff necessary to support the functions and purposes of the UCEDD;
- Allocate adequate staff time to carry out activities related to each of the four core functions (section 154(a)(3)(G)(ii)); and
- Take affirmative action to employ and advance in employment qualified individuals with developmental disabilities (section 107).

C. Consumer Advisory Committee (CAC)

The applicant must describe how the UCEDD will maintain a CAC that reflects the racial and ethnic diversity of the State. The description should include how the majority of members are individuals with developmental disabilities and family members of such individuals. The applicant should also describe other members of the CAC, including representatives of: the State Protection and Advocacy System; the State Council on Developmental Disabilities; other UCEDDs in the State; a self-advocacy organization led by individuals with developmental disabilities as described in Section 124(c)(4)(A)(ii)(I) of the DD Act of 2000; and organizations that may include Parent Training and Information Centers assisted under Sections 671 and 672 of the Individuals with Disabilities Education Improvement Act of 2004, entities carrying out activities in assistive technology authorized under Sections 4 or 5 of the Assistive Technology Act of 2004, relevant State agencies, and other community groups concerned with the welfare of individuals with developmental disabilities and their families. The applicant should include a meeting schedule showing that the CAC will meet, at a minimum, twice during each grant year.

D. Coordinated Activities with the State Developmental Disabilities Network

The State Developmental Disabilities Network (DD Network) is comprised of the three ADD grant programs funded in each State and Territory:

- (1) State Developmental Disabilities Councils;
- (2) Protection and Advocacy System; and
- (3) UCEDD(s).

It is expected that the members of the DD Network work together in a strategic manner to positively impact individuals with disabilities and their families. The respondents to this announcement should provide a narrative and related supporting documentation of how the UCEDD will undertake coordinated activities with the State Developmental Disabilities Councils, the Protection and Advocacy System in the State, and the other UCEDD(s) in the State.

E. Program Accountability

Respondents to this program announcement must describe how they will comply with the accountability requirements outlined in the DD Act of 2000. Please see *Section VI.3.* for more information.

F. DD Act Assurances

The application must include a statement that the UCEDD will adhere to the requirements in the DD Act of 2000 for UCEDD programs. Please see *Section IV.2. Forms, Certification, and Assurances* for the list of DD Act assurances.

Evaluation

Provide a narrative addressing how the conduct of the project and its results will be evaluated. In addressing the evaluation of results, state what measures will be used to determine the extent to which the project has achieved its stated objectives and the extent to which the accomplishment of objectives can be attributed to the project. Discuss the criteria to be used to evaluate results, and explain the methodology that will be used to determine if the needs identified and discussed are being met and if the project results and benefits are being achieved. With respect to the conduct of the project, define the procedures to be employed to determine whether the project is being conducted in a manner consistent with the work plan presented and discuss the impact of the project's various activities that address the project's effectiveness.

Explain how the methodology that will be employed to report outcomes and results will follow the *UCEDD Annual Report Template*. The methodology should include use of quantitative and qualitative techniques to determine if the needs identified and discussed are being met and if the UCEDD results and benefits are being achieved. Include a description of a logic model for evaluating the extent to which the goals for the UCEDD have been achieved in a manner consistent with the objectives of the DD Act of 2000. Describe how the CAC will review and comment on the progress of the Center to determine whether the UCEDD is carrying out the five-year plan in a manner consistent with the work plan presented. Describe how the annual review will identify emerging trends and needs.

Logic Model

Applicants are expected to use a model for designing and managing their project. A logic model is a tool that presents the conceptual framework for a proposed project and explains the linkages among program elements. While there are many versions of the logic model, they generally summarize the logical connections among the needs that are the focus of the project, project goals and objectives, the target population, project inputs (resources), the proposed activities/processes/outputs directed toward the target population, the expected short- and long-term outcomes the initiative is designed to achieve, and the evaluation plan for measuring the extent to which proposed processes and outcomes actually occur.

Organizational Capacity

- Organizational charts
- Financial statements adhering to Generally Accepted Accounting Principles (GAAP)
- Audit reports or statements from Certified Public Accountants/Licensed Public Accountants
- Contact persons and telephone numbers
- Information on compliance with Federal/State/local government standards
- Documentation of experience in the program area
- Personnel policies
- Any other pertinent information the applicant deems relevant.

Provide a biographical sketch or resume for each key person appointed. Resumes should be no more than two pages in length. Job descriptions for each vacant key position should be included as well. As new key staff are appointed, biographical sketches or resumes will also be required.

Third-Party Agreements

Provide written and signed agreements between grantees and subgrantees, or subcontractors, or other cooperating entities. These agreements must detail the scope of work to be performed, work schedules, remuneration, and other terms and conditions that structure or define the relationship.

Letters Of Support

Provide statements from community, public, and commercial leaders that support the project proposed for funding. All submissions should be included in the application package or by the application deadline.

Budget and Budget Justification

Provide a budget with line-item detail and detailed calculations for each budget object class identified on the Budget Information Form (SF-424A or SF-424C). Detailed calculations must include estimation methods, quantities, unit costs, and other similar quantitative detail sufficient for the calculation to be duplicated. If matching is a requirement, include a breakout by the funding sources identified in Block 18 of the SF-424.

Provide a narrative budget justification for each year of the proposed project. The narrative budget justification should describe how the categorical costs are derived. Discuss the necessity, reasonableness, and allocation of the proposed costs.

General

Use the following guidelines for preparing the budget and budget justification. Both Federal and non-Federal resources (when required) shall be detailed and justified in the budget and budget narrative justification. "Federal resources" refers only to the ACF grant funds for which you are applying. "Non-Federal resources" are all other non-ACF Federal and non-Federal resources. It is suggested that budget amounts and computations be presented in a columnar format: first column, object class categories; second column, Federal budget; next column(s), non-Federal budget(s); and last column, total budget. The budget justification should be in a narrative form.

Personnel

Description: Costs of employee salaries and wages.

Justification: Identify the project director or principal investigator, if known at the time of application. For each staff person, provide: the title; time commitment to the project in months; time commitment to the project as a percentage or full-time equivalent; annual salary; grant salary; wage rates; etc. Do not include the costs of consultants, personnel costs of delegate agencies, or of specific project(s) and/or businesses to be financed by the applicant.

Fringe Benefits

Description: Costs of employee fringe benefits unless treated as part of an approved indirect cost rate.

Justification: Provide a breakdown of the amounts and percentages that comprise fringe benefit costs such as health insurance, Federal Insurance Contributions Act (FICA) taxes, retirement insurance, taxes, etc.

Travel

Description: Costs of project-related travel by employees of the applicant organization. (This item does not include costs of consultant travel).

Justification: For each trip show: the total number of traveler(s); travel destination; duration of trip; per diem; mileage allowances, if privately owned vehicles will be used to travel out of town; and other transportation costs and subsistence allowances. If appropriate for this project, travel costs for key staff to

attend ACF-sponsored workshops should be detailed in the budget.

Equipment

Description: "Equipment" means an article of nonexpendable, tangible personal property having a useful life of more than one year and an acquisition cost that equals or exceeds the lesser of: (a) the capitalization level established by the organization for the financial statement purposes, or (b) \$5,000. (Note: Acquisition cost means the net invoice unit price of an item of equipment, including the cost of any modifications, attachments, accessories, or auxiliary apparatus necessary to make it usable for the purpose for which it is acquired. Ancillary charges, such as taxes, duty, protective in-transit insurance, freight, and installation, shall be included in or excluded from acquisition cost in accordance with the organization's regular written accounting practices.)

Justification: For each type of equipment requested provide: a description of the equipment; the cost per unit; the number of units; the total cost; and a plan for use on the project; as well as use and/or disposal of the equipment after the project ends. An applicant organization that uses its own definition for equipment should provide a copy of its policy, or section of its policy, that includes the equipment definition.

Supplies

Description: Costs of all tangible personal property other than that included under the Equipment category.

Justification: Specify general categories of supplies and their costs. Show computations and provide other information that supports the amount requested.

Contractual

Description: Costs of all contracts for services and goods except for those that belong under other categories such as equipment, supplies, construction, etc. Include thirdparty evaluation contracts, if applicable, and contracts with secondary recipient organizations, including delegate agencies and specific project(s) and/or businesses to be financed by the applicant.

Justification: Demonstrate that all procurement transactions will be conducted in a manner to provide, to the maximum extent practical, open and free competition. Recipients and subrecipients, other than States that are required to use 45 CFR Part 92 procedures, must justify any anticipated procurement action that is expected to be awarded without competition and exceeds the simplified acquisition threshold fixed at 41 U.S.C. 403(11), currently set at \$100,000. Recipients may be required to make pre-award review and procurement documents, such as requests for proposals or invitations for bids, independent cost estimates, etc. available to ACF.

Note: Whenever the applicant intends to delegate part of the project to another agency, the applicant must provide a detailed budget and budget narrative for each delegate agency, by agency title, along with the same supporting information referred to in these instructions.

Other

Description: Enter the total of all other costs. Such costs, where applicable and appropriate, may include but are not limited to: local travel; insurance; food; medical and dental costs (noncontractual); professional services costs; space and equipment rentals; printing and publication; computer use; training costs, such as tuition and stipends; staff development costs; and administrative costs.

Justification: Provide computations, a narrative description and a justification for each cost under this category.

Indirect Charges

Description: Total amount of indirect costs. This category should be used only when the applicant currently has an indirect cost rate approved by the Department of Health and Human Services (HHS) or another cognizant Federal agency.

Justification: An applicant that will charge indirect costs to the grant must enclose a copy of the current rate agreement. If the applicant organization is in the process of initially developing or renegotiating a rate, upon notification that an award will be made, it should immediately develop a tentative indirect cost rate proposal based on its most recently completed fiscal year, in accordance with the cognizant agency's guidelines for establishing indirect cost rates, and submit it to the cognizant agency. Applicants awaiting approval of their indirect cost proposals may also request indirect costs. When an indirect cost rate is requested, those costs included in the indirect cost pool should not be charged as direct costs to the grant. Also, if the applicant is requesting a rate that is less than what is allowed under the program, the authorized representative of the applicant organization must submit a signed acknowledgement that the applicant is accepting a lower rate than allowed.

Program Income

Description: The estimated amount of income, if any, expected to be generated from this project.

Justification: Describe the nature, source and anticipated use of program income in the budget or refer to the pages in the application that contain this information.

Commitment of Non-Federal Resources

Description: Amounts of non-Federal resources that will be used to support the project as identified in Block 18 of the SF-424.

Justification: If an applicant is relying on match from a third party, then a firm commitment of these resources (letter or other documentation) is required with the application. Detailed budget information must be provided for every funding source identified in Block 18 of the SF-424.

Paperwork Reduction Disclaimer

As required by the Paperwork Reduction Act of 1995, Pub.L. 104-13, the public reporting burden for the Project Description is estimated to average 40 hours per response, including the time for reviewing instructions, gathering and maintaining the data needed, and reviewing the collection information. The Project Description information collection is approved under OMB control number 0970-0139, which expires 11/30/2012. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Application Submission Options

Electronic Submission via www.Grants.gov

- ACF will not accept applications via facsimile or email.
- The Funding Opportunity Announcement is found on the Grants.gov website at <http://www.grants.gov> where the electronic application can be downloaded for completion.
- To apply electronically, applicants must be registered with Grants.gov, Dun and Bradstreet (DUNS Number), and the Central Contractor Registry (CCR).
- All pages of the application package must be sequentially numbered.
- Electronically submitted applications must be received and time/date stamped by the due date and receipt time described in this announcement in *Section IV.3. Submission Dates and Times*.
- To submit an application through Grants.gov, the applicant must be the Authorized Organization Representative (AOR) for their organization and must have current registration with the Central

Contractor Registry (CCR).

- **Central Contractor Registry (CCR) registration must be updated annually.** As of October 1, 2010, all applicants for Federal grants and cooperative agreements are required to have CCR registration.
- Electronically submitted applications will not pass the validation check at Grants.gov if the AOR does not have a current CCR registration and electronic signature credentials.
- Applications rejected by Grants.gov for an unregistered AOR will be disqualified and will not be considered for competition.
- Additional guidance on the submission of electronic applications can be found at http://www.acf.hhs.gov/grants/registration_checklist.html.
- If difficulties are encountered in using Grants.gov, applicants must contact the Grants.gov Contact Center at: 1-800-518-4726, or by email at support@grants.gov, to report the problem and obtain assistance. Hours of Operation: 24 hours a day, 7 days a week. The Grants.gov Contact Center is closed on Federal holidays.
- Applicants should retain Grants.gov Contact Center service ticket number(s) as they may be needed for future reference.
- Applicants that submit their applications electronically should retain a hard copy of their application package.
- It is to an applicant's advantage to submit their applications at least 24 hours in advance of the closing date and time.
- Applicants should not wait until the due date for applications to begin submission of their application.

Contact with the Grants.gov Contact Center prior to the listed due date and time does not ensure acceptance of your application. If difficulties are encountered, ACF's Grants Management Officer (GMO) will make a determination whether the issues are due to Grants.gov system errors or user error.

Hard Copy Submission

Applicants that are submitting their application in paper format should submit one original and two copies of the complete application with all attachments. The original and each of the two copies must include all required forms, certifications, assurances, and appendices, be signed by the Authorized Organization Representative (AOR), and be unbound. The original copy of the application must have original signature(s). See *Section IV.6* of this announcement for address information for hard copy application submissions.

Applications submitted in hard copy must show a DUNS Number. A DUNS Number is a nine-digit number established and assigned by Dun and Bradstreet, Inc. (D&B) to uniquely identify business entities. A DUNS number may be acquired at no cost online at <http://www.dnb.com>. To acquire a DUNS number by phone, contact the D&B Government Customer Response Center: U.S. and U.S. Virgin Islands: 1-866-705-5711; Alaska and Puerto Rico: 1-800-234-3867 (Select Option 2, then Option 1). Monday - Friday 7 AM - 8 PM c.s.t.

As of October 1, 2010, all applicants for Federal grants and cooperative agreements, including those that apply in paper format, are required to have Central Contractor Registration. CCR registration is also required for organizations that will receive subawards under Federal grants and cooperative agreements.

Registration at the CCR must be updated annually from the date of the initial registration. A CCR registration is required to be active throughout the period of award. Lack of CCR registration will prevent ACF from making an award to a recommended applicant.

CCR registration may be made online at <https://www.bpn.gov/ccr/> or by phone at 1-877-252-2700.

Due to the possibility of heavy traffic at the CCR website, applicants are strongly encouraged to register at the CCR well in advance of the application due date.

Applicants may refer to *Section VIII. Other Information* for a checklist of application requirements that may be used in developing and organizing application materials. Details concerning acknowledgment of received applications are available in *Section IV.3. Submission Dates and Times* of this announcement.

IV.3. Submission Dates and Times

Due Date for Applications: **02/15/2011**

Explanation of Due Dates

The due date for receipt of applications is listed in the *Overview* and in this section. Applications received after 4:30 p.m., eastern time, on the due date will be classified as late and will not be considered in the current competition.

Applicants are responsible for ensuring that applications are received by mail, hand-delivery, or submitted electronically well in advance of the application due date and time.

Mailed Applications

Mailed applications must be **received** no later than 4:30 p.m., eastern time, on the due date, listed in the *Overview* and in this section, at the address provided in *Section IV.6* of this announcement. Applications received after the stated due date and time will be designated as late and will be disqualified from competition.

Hand-Delivered Applications

Applications that are hand-delivered by applicants, applicant couriers, other representatives of the applicant, or by overnight/express mail couriers must be **received** on, or before, the due date listed in the *Overview* and in this section, between the hours of 8:00 a.m. and 4:30 p.m., eastern time, Monday through Friday (excluding Federal holidays). Applications should be delivered to the address provided in *Section IV.6.* of this announcement. Applications received after the stated due date and time will be designated as late and will be disqualified from competition.

Electronically-Submitted Applications

ACF does not accommodate transmission of applications by facsimile or email. Instructions for electronic submission via www.Grants.gov may be found at the [Grants.gov Registration Checklist](#).

Electronically-submitted applications must be **received and validated** at www.Grants.gov by 4:30 p.m., eastern time, on the due date.

Upon submission and receipt of an application via Grants.gov, the applicant will receive three emails:

1. Acknowledgement of the application's submission to Grants.gov. This email will provide a **Grants.gov tracking number**. Applicants should refer to this tracking number in all communication with Grants.gov. The email will also provide a **date and time-stamp, which serves as the official record of application submission**. The date and time-stamp must reflect a submission time on, or before, 4:30 p.m., eastern time, on the application due date for the application to be considered as meeting the due date. Applications received at Grants.gov after the due date and time will be disqualified.

2. Acknowledgement from Grants.gov that the submitted application package has passed, or failed, a series of checks and validations. Applications received on the due date that fail the validation check on, or after, 4:30 p.m., eastern time, on the due date because the Authorized Organization Representative (AOR) is not registered with the Central Contractor Registry (CCR) will be determined to be late and will not be considered for the review. Applications that do not pass the validation check at Grants.gov after the due date and time will be disqualified.
3. An additional email from ACF will be sent to the applicant indicating that the application has been retrieved from Grants.gov by ACF.

Late Applications

No appeals will be considered for applications classified as late under the following circumstances:

- Hard-copy applications received after 4:30 p.m., eastern time, on the due date will be classified as late and will be disqualified.
- Electronically-submitted applications are considered late, and are disqualified, when the date and time-stamp received by email from www.Grants.gov is after 4:30 p.m., eastern time, on the due date.
- Electronically-submitted applications submitted by an AOR that does not have a current registration with the Central Contractor Registry (CCR) will be rejected by Grants.gov. Although the applicant may have an acceptable dated and time-stamped email from Grants.gov, these applications are considered late and are disqualified.

Extension/Waiver of Due Date and Receipt Time

ACF may extend an application due date and receipt time when circumstances such as natural disasters occur (floods, hurricanes, etc.); when there are widespread disruptions of mail service; or in other rare cases. The determination to extend or waive the due date and receipt time requirements rests with ACF's Chief Grants Management Officer.

Acknowledgement of Received Application

ACF will not provide acknowledgement of receipt of hard copy application packages submitted via mail or courier services.

Upon submission of an application electronically via <http://www.Grants.gov>, the applicant will receive three emails:

1. Acknowledgement of the application's submission to Grants.gov. This email will provide a **Grants.gov tracking number**. The email will also provide a **date and time-stamp, which serves as the official record of application submission**.
2. Your application has been validated and provides a Time/Date Stamp. See the previous section on failing the validation check because of an unregistered Authorized Organization Representative (AOR).
3. An email will be sent to the applicant from ACF indicating that the application has been retrieved from Grants.gov by ACF.

IV.4. Intergovernmental Review of Federal Programs

This program is covered under Executive Order (E.O.) 12372, "Intergovernmental Review of Federal Programs," and 45 CFR Part 100, "Intergovernmental Review of Department of Health and Human Services Programs and Activities." Under the Executive Order, States may design their own processes for reviewing and commenting on proposed Federal assistance under covered programs.

Applicants should go to the following URL for the official list of the jurisdictions that have elected to

participate in E.O. 12372 http://www.whitehouse.gov/omb/grants_spoc/.

Applicants from participating jurisdictions should contact their SPOC, as soon as possible, to alert them of their prospective applications and to receive instructions on their jurisdiction's procedures. Applicants must submit all required application materials to the SPOC and indicate the date of submission on the Standard Form (SF) 424 at item 19.

Under 45 CFR 100.8(a)(2), a SPOC has 60 days from the application due date to comment on proposed new awards.

SPOC comments may be submitted directly to ACF to: U.S. Department of Health and Human Services, Administration for Children and Families, Office of Grants Management, Division of Discretionary Grants, 370 L'Enfant Promenade SW., 6th Floor East, Washington, DC 20447.

Entities that meet the eligibility requirements of this announcement are still eligible to apply for a grant even if a State, Territory or Commonwealth, etc., does not have a SPOC or has chosen not to participate in the process. Applicants from non-participating jurisdictions need take no action with regard to E.O. 12372. Applications from Federally-recognized Indian Tribal governments are not subject to E.O. 12372.

IV.5. Funding Restrictions

Costs of organized fund raising, including financial campaigns, endowment drives, solicitation of gifts and bequests, and similar expenses incurred solely to raise capital or obtain contributions, are considered unallowable costs under grants awarded under this announcement.

Grant awards will not allow reimbursement of pre-award costs.

Construction is not an allowable activity or expenditure under this grant award.

This grant program meets the ACF definition for training grants. Therefore, applicants must limit the indirect cost rate to eight percent of total direct costs, exclusive of equipment, tuition and stipends, rental of space, major contracts or subgrants, and renovation and alteration, under this program announcement.

The budget narrative should clearly outline how funds awarded under this grant will support the administration or operation of the UCEDD. Funds made available through the grant will be used to supplement, and not supplant, the funds that would otherwise be made available for activities related to interdisciplinary pre-service preparation and continuing education, community services, research, and information dissemination.

V. Application Review Information

V.1. Criteria

Applications competing for financial assistance will be reviewed and evaluated using the criteria described in this section. The corresponding point values indicate the relative importance placed on each review criterion. Points will be allocated based on the extent to which the application proposal addresses each of the criteria listed. Applicants should address these criteria in their application materials, particularly in the project description and budget justification, as they are the basis upon which competing applications will be judged during the objective review. The required elements of the project description and budget justification may be found in *Section IV.2* of this announcement.

Organizational Capacity

Maximum Points: 0

OBJECTIVES AND NEED FOR ASSISTANCE

Maximum Points: 15

Applications will be evaluated according to the extent to which the applicant demonstrates a thorough understanding and analysis of the problem(s) being addressed in the project; documents the need for assistance, and the importance of addressing these problems in the area(s) to be addressed by the proposed project; outlines key goals and objectives of the project directly related to the four core functions (interdisciplinary pre-service preparation and continuing education, community services, research and information dissemination) in one or more selected areas of emphasis (quality assurance, education and early intervention, child care, health, employment, housing, transportation, recreation and other services available or offered to individuals in a community, including formal and informal community supports, that affect their quality of life); provides evidence that consumer members provided input into the development of the application for core funding; and provides any supporting documentation and relevant data based on research or planning studies, and maps and other graphical aids.

Using the following values for each required item in this criterion, points will be awarded according to the extent to which the application for core funding:

- Provides a portrait of the State needs and clearly identifies the need for assistance based on relevant and current data, including that collected through planning studies. **(5 points)**
- Describes how individuals with developmental disabilities, family members, advocates, the State DD Council, the State Protection and Advocacy System, the other UCEDD (s) in the State, and

representatives of State agencies were consulted in the development of the application and provides evidence that feedback from such representatives was utilized in developing the project approach, including the goals and goal-related activities outlined in the five-year plan. **(5 points)**

- Shows a direct relationship between the needs identified based on research and/or planning studies and feedback from individuals with developmental disabilities, family members, advocates, the State DD Council, the State Protection and Advocacy System, the other UCEDD (s) in the State, and representatives of State agencies and the goals and goal-related activities in the five-year plan. **(5 points)**

APPROACH

Maximum Points: 40

The applications will be evaluated according to the extent to which the applicant outlines a sound, workable and detailed plan of action pertaining to the measurable goals and objectives of the proposed project and the proposed approach; identifies activities in chronological order, with target dates for accomplishment, and clearly identifies the plan of action and delineates the roles and involvement of each of the proposed project's partners and collaborators.

Using the following values for each required item in this criterion, points will be awarded according to the extent to which the application for core funding describes a five-year plan for meeting the purpose of the DD Act that includes the following:

- Describes a five-year plan for meeting the purpose of the DD Act by outlining a projected measurable and attainable goal for one or more area(s) of emphasis (e.g., quality assurance, education and early intervention, child care, health, employment, housing, transportation, recreation, and other services available or offered to individuals in a community, including formal and informal community supports, that affect their quality of life) for each core function. Provides quantitative projections of the accomplishments to be achieved for each core function or activity in such terms as the number of people to be served and the number of activities to be accomplished. Provides chronological order of approach with target dates. **(4 points)**
- Describes how the UCEDD will carry out the Interdisciplinary Pre-service Preparation and Continuing Education core function as a formal training program for students and fellows representing leadership, direct service, clinical, or other personnel, that usually takes place in an academic setting or program and (a) leads to the award of an initial academic degree or certificate; (b) includes internship, practicum, fellowship or residency activities; or, (c) represents an advancement in academic credentials through a course of study. **(3 points)**
- Describes how the Interdisciplinary Pre-service Preparation and Continuing Education formal training program utilizes an interdisciplinary approach to teaching and learning, including a description of the core curriculum for the training program and the variety of disciplines represented in both the faculty and students (e.g., Audiology, Dentistry, Early Intervention, Early Childhood Education, Early Childhood Special Education, Medicine, Nursing, Pediatrics, Psychology, Occupational Therapy). See *Section IV.2.* for a full listing of possible disciplines. **(3 points)**
- Under the Community Services core function, describe how the UCEDD will provide training, technical assistance and/or demonstration, and model activities of services, supports, and assistance for individuals with developmental disabilities, their families, professionals, paraprofessionals, policymakers, students, and other members of the community so communities can be accessible to and responsive to the needs of individuals with developmental disabilities and

their families, and are enriched by full and active participation in community activities and contributions by individuals with developmental disabilities and their families. **(3 points)**

- Describes a Research program, which may include basic or applied research, evaluation, and the analysis of public policy in areas that affect or could affect, either positively or negatively, individuals with developmental disabilities and their families. **(3 points)**
- Describes an Information Dissemination plan that includes strategies for translating research into practice and for communicating that the UCEDD Network is a national and international resource with substantive areas of expertise that can be accessed and applied in diverse settings and circumstances. **(3 points)**
- Describes how the UCEDD will maintain a CAC, the majority of which shall be individuals with developmental disabilities and family members of such individuals; includes representatives of the DD Council, Protection and Advocacy System (P&A), other UCEDDs in the State (as appropriate); and a self-advocacy organization; and that reflects the racial and ethnic diversity of the State. **(3 points)**
- Describes active and meaningful roles of individuals with developmental disabilities and families in the Interdisciplinary Pre-service Preparation and Continuing Education formal training program. Such roles may include serving as course instructors and developers of curriculum. **(2 points)**
- Demonstrates how the UCEDD will promote recruitment efforts that increase the number of individuals from culturally and linguistically diverse backgrounds working with people with developmental disabilities and their families in disciplines related to pre-service training, community training, practice, administration, and policymaking. **(2 points)**
- Describes how Community Services offer innovative designs and methods that promote the inclusion and integration of individuals with developmental disabilities and families in all aspects of community life through the delivery of programs, projects, activities, and services in community-based settings rather than academic or traditional clinical settings. **(2 points)**
- Describes Community Services strategies that will promote increased and meaningful opportunities for individuals with developmental disabilities from racial and ethnic minority backgrounds and their families to access and use community services, individualized supports, and other forms of assistance available to other individuals with developmental disabilities and their families. **(2 points)**
- Describes how people with developmental disabilities and their families, including those from culturally and linguistically diverse groups, will be active participants in the research process thereby ensuring that these individuals and their families participate in the development, design and implementation of research activities, as well as the dissemination of research information. **(2 points)**
- Describes how information is developed and disseminated using principles of universal design to ensure that resources are available in multiple accessible formats and in a culturally competent manner. **(2 points)**
- Describes the involvement of people with developmental disabilities and families, including those from culturally and linguistically diverse backgrounds, in the development of products and

resources that are disseminated. **(1 point)**

- Identifies and delineates the UCEDD's role and involvement in coordinated activities of DD Network partners (the State Developmental Disabilities Council, the Protection and Advocacy System, and the other UCEDD[s]). **(2 points)**
- Describes how the five-year plan for the UCEDD complements and furthers the State Developmental Disabilities Council five-year plan, the Protection and Advocacy System Statement of Goals and Priorities, and the five-year plan for the other UCEDD(s) in the State. **(1 point)**
- Describes how the infrastructure and resources obtained through funds made available under the grant will be utilized to leverage additional public and private funds to successfully achieve the projected goals developed in the five-year plan. **(1 point)**
- Describes how the UCEDD will educate and disseminate information related to the purpose of the DD Act of 2000 to the legislature of the State in which the Center is located and to Members of Congress from the State. **(1 point)**

EVALUATION

Maximum Points: 15

The applications will be evaluated according to the extent to which the applicant provides a narrative outlining how project results will be evaluated; states methods for measuring the extent to which project goals have been achieved; discusses the criteria to be used to evaluate results; explains the methodology that will be used to determine if the needs identified and discussed are being met and if the project results and benefits are being achieved; with respect to the conduct of the project, defines the procedures to be employed to determine whether the project is being conducted in a manner consistent with the work plan presented; and discusses the impact of the project's various activities on the project's effectiveness.

Using the following values for each required item in this criterion, points will be awarded according to the extent to which the application for core funding:

- Explains the methodology that will be employed to report outcomes and results using the *UCEDD Annual Report Template*. The methodology should include use of quantitative and qualitative techniques to determine if the needs identified and discussed are being met and if the UCEDD results and benefits are being achieved. **(5 points)**
- Describes a logic model for evaluating the extent to which the goals for the UCEDD have been achieved in a manner consistent with the objectives of the DD Act of 2000. **(4 points)**
- Describes how the CAC will review and comment on the progress of the Center to determine whether the UCEDD is carrying out the five-year plan in a manner consistent with the work plan presented. **(4 points)**
- Describes how the annual review will identify emerging trends and needs. **(2 points)**

ORGANIZATIONAL CAPACITY

Maximum Points: 20

The applications will be evaluated according to the extent to which the applicant provides information on the applicant's organizational capacity.

Using the following values for each required item in this criterion, points will be awarded according to the extent to which the application for core funding:

- Describes a clear organizational structure that appears to be an effective approach for managing the Center and implementation of the core functions. Includes an organizational chart that clearly

- identifies the organizational structure of the UCEDD. **(5 points)**
- Describes how the applicant does or will employ individuals with developmental disabilities, their family members, and individuals from culturally and linguistically diverse backgrounds. **(3 points)**
- Describes how the entity is an interdisciplinary education, research, and public service unit of a university or public or a non-profit entity associated with a university that engages in four core functions. **(2 points)**
- Provides and describes a conceptual overview of the program framework. **(2 points)**
- Identifies the UCEDD as an independent Center and provides documentation. **(2 points)**
- Describes the qualifications of the faculty and staff assigned to the UCEDD grant. **(2 points)**
- Describes the qualifications of the UCEDD director with appropriate academic credentials, demonstrated leadership, and expertise regarding developmental disabilities, significant experience in managing grants and contracts, and the ability to leverage public and private funds. **(2 points)**
- Explains how the UCEDD will maintain the faculty and staff necessary to support the functions and purposes of the UCEDD and allocate adequate staff time to carry out activities related to each of the four core functions. **(2 points)**

BUDGET AND BUDGET JUSTIFICATION

Maximum Points: 10

The applications will be evaluated according to the extent to which the applicant provides a budget with line-item detail and detailed calculations for each budget object class identified on the Budget Information form; detailed calculations that include estimation methods, quantities, unit costs, and other similar quantitative detail sufficient for the calculation to be duplicated; a breakout by the funding sources identified in Block 15 of the SF-424; a narrative budget justification that describes how the categorical costs are derived; and a discussion of the necessity, reasonableness, and allocability of the proposed costs.

Using the following values for each required item in this criterion, points will be awarded according to the extent to which the application for core funding:

- Provides a narrative budget justification that describes how the categorical costs are derived and discusses the necessity, reasonableness, and allocability of the proposed costs in relation to the administration or operation of the UCEDD program, including implementation of the four core functions and support of the CAC. **(5 points)**
- Describes a budget that shows funds made available through the grant are being used to supplement, and not supplant, the funds that would otherwise be made available for activities related to interdisciplinary pre-service preparation and continuing education, community services, research, and information dissemination. **(3 points)**
- Provides a budget with line-item detail and detailed calculations for each budget object class identified on the Budget Information form; detailed calculations that include estimation methods, quantities, unit costs, and other similar quantitative detail sufficient for the calculation to be duplicated; a breakout by the funding sources identified in Block 15 of the SF-424. **(2 points)**

V.2. Review and Selection Process

No grant award will be made under this announcement on the basis of an incomplete application.

Initial ACF Screening

Each application will be screened to determine whether it was received by the closing date and time and whether the requested amount exceeds the award ceiling. Applications that are designated as late according to *Section IV.3. Submission Dates and Times*, or those with requests that exceed the award ceiling, stated in *Section II. Award Information*, will be returned to the applicant with a notation that they were deemed non-responsive and will not be reviewed.

Objective Review and Results

Applications competing for financial assistance will be reviewed and evaluated by objective review panels using the criteria described in *Section V.1* of this announcement. Each panel is made up of experts with knowledge and experience in the area under review. Generally, review panels are composed of three reviewers and one chairperson.

Results of the competitive objective review are taken into consideration by ACF in the selection of projects for funding; however, objective review scores and rankings are not binding. They are one element in the decision-making process.

ACF may elect not to fund applicants with management or financial problems that would indicate an inability to successfully complete the proposed project. Applications may be funded in whole or in part. Successful applicants may be funded at an amount lower than that requested. ACF reserves the right to consider preferences to fund organizations serving emerging, unserved, or under-served populations, including those populations located in pockets of poverty. ACF will also consider the geographic distribution of Federal funds in its award decisions.

The grant applications that pass the initial screening will undergo a rigorous review process that follows the requirements of Section 154(c) of the DD Act of 2000. This shall include the following:

- (1) *Peer Review.* All applications submitted shall undergo a technical and qualitative review by peer review groups. Each peer review group will be comprised of approximately three people and shall include individuals with disabilities and parents, guardians, or advocates of or for individuals with developmental disabilities.
- (2) *Supplemental Review.* Should the peer review group determine that further review is necessary to make a decision to recommend an application for funding, it will advise ADD of its determination. The peer review group may conduct site visits as part of the supplemental review before recommending an application for funding.
- (3) *Recommendation for Funding.* The peer review group will make a recommendation for funding an application. The recommendations for funding will be the following:
 - a. Recommended for funding;
 - b. Not recommended for funding;
 - c. Need additional information before making a recommendation for funding.

ADD may approve an application only if the application has been recommended by the peer review group, unless the requirement for such review and recommendation has been waived by the Secretary [see Section 154(c)].

ADD may consider other factors or elements, other than the evaluation criteria, such as past performance,

ability of the applicant to meet the purpose of the DD Act of 2000, and geographical dispersion and diversity, in reviewing and selecting applications.

Successful applicants will be judged on their ability to demonstrate the capacity or the development of the capacity to meet the purpose of the DD Act of 2000 through full implementation of the UCEDD core functions.

Please refer to *Section IV.2.* of this announcement for information on non-Federal reviewers in the review process.

Approved but Unfunded Applications

Applications that are approved but unfunded may be held over for funding consideration in a subsequent review cycle. If a future competition is planned under which the application might be funded, it may be retained for future consideration. These applications must compete for funding with all other competing applications under the review cycle.

V.3. Anticipated Announcement and Award Dates

Announcement of awards and the disposition of applications will be provided to applicants at a later date.

VI. Award Administration Information

VI.1. Award Notices

Successful applicants will be notified through the issuance of a Financial Assistance Award (FAA) document that sets forth the amount of funds granted, the terms and conditions of the grant, the effective date of the grant, the budget period for which initial support will be given, the non-Federal share to be provided (if applicable), and the total project period for which support is contemplated. The FAA will be signed by the Grants Officer and transmitted via postal mail. Following the finalization of funding decisions, organizations whose applications will not be funded will be notified by letter, signed by the Program Office head.

VI.2. Administrative and National Policy Requirements

Awards issued under this announcement are subject to the uniform administrative requirements and cost principles of 45 C.F.R. Part 74 (Awards And Subawards To Institutions Of Higher Education, Hospitals, Other Nonprofit Organizations, And Commercial Organizations), or 45 C.F.R. Part 92 (Grants And Cooperative Agreements To State, Local, And Tribal Governments).

An application funded with the release of Federal funds through a grant award, does not constitute, or imply, compliance with Federal regulations. Funded organizations are responsible for ensuring that their activities comply with all applicable Federal regulations.

Prohibition Against Profit

Grantees are subject to the limitations set forth in 45 C.F.R. Part 74, Subpart E-Special Provisions for Awards to Commercial Organizations (45 C.F.R. §74.81_Prohibition against profit), which states that, "... no HHS funds may be paid as profit to any recipient even if the recipient is a commercial organization. Profit is any amount in excess of allowable direct and indirect costs."

Equal Treatment for Faith-Based Organizations

Grantees are also subject to the requirements of 45 C.F.R. Part 87, Equal Treatment for Faith-Based Organizations: "Direct Federal grants, sub-award funds, or contracts under this ACF program shall not be used to support inherently religious activities such as religious instruction, worship, or proselytization. Therefore, organizations must take steps to separate, in time or location, their inherently religious activities from the services funded under this program. Regulations pertaining to the Equal Treatment for Faith-Based Organizations, which includes the prohibition against Federal funding of inherently religious activities, can be found at the HHS web site at: <http://www.hhs.gov/fbc/waisgate21.pdf>.

A faith-based organization receiving HHS funds retains its independence from Federal, State, and local governments, and may continue to carry out its mission, including the definition, practice, and expression of its religious beliefs. For example, a faith-based organization may use space in its facilities to provide secular programs or services funded with Federal funds without removing religious art, icons, scriptures, or other religious symbols. In addition, a faith-based organization that receives Federal funds retains its authority over its internal governance, and it may retain religious terms in its organization's name, select its board members on a religious basis, and include religious references in its organization's mission statements and other governing documents in accordance with all program requirements, statutes, and other applicable requirements governing the conduct of HHS funded activities." Additional information on "Understanding the Regulations Related to the Faith-Based and Community Initiative" can be found at: <http://www.hhs.gov/fbc/regulations/index.html>.

The Code of Federal Regulations (C.F.R.) is available at <http://www.gpoaccess.gov/CFR/>.

Award Term and Condition under the Trafficking Victims Protection Act of 2000

Awards issued under this announcement are subject to the requirements of Section 106 (g) of the Trafficking Victims Protection Act of 2000, as amended (22 U.S.C. 7104). For the full text of the award term, go to http://www.acf.hhs.gov/grants/award_term.html. If you are unable to access this link, please contact the Grants Management Contact identified in Section VII. Agency Contacts of this announcement to obtain a copy of the Term.

HHS Grants Policy Statement

The HHS Grants Policy Statement (HHS GPS) is the Department of Health and Human Services' single policy guide for discretionary grants and cooperative agreements. ACF grant awards are subject to the requirements of the HHS GPS, which covers basic grants processes, standard terms and conditions, and points of contact, as well as important agency-specific requirements. Appendices to the HHS GPS include a glossary of terms and a list of standard abbreviations for ease of reference. The general terms and conditions in the HHS GPS will apply as indicated unless there are statutory, regulatory, or award-specific requirements to the contrary that are specified in the Financial Assistance Award (FAA). The HHS GPS is available at http://www.acf.hhs.gov/grants/grants_related.html.

Other Administrative and National Policy Requirements

Requirements for UCEDDs as stipulated in the DD Act of 2000 and the program regulations apply.

VI.3. Reporting

Grantees under this announcement will be required to submit performance progress and financial reports periodically throughout the project period. The frequency of required reporting is listed later in this section.

In FY 2009, most ACF grantees began using a standard form for required performance progress reporting (PPR). Use of the new standard form, the ACF-OGM SF-PPR, began for new awards and continuation awards made by ACF in FY 2009. At a minimum, grantees are required to submit the ACF-OGM SF-PPR, which consists of the ACF-OGM SF-PPR Cover Page and the Program Indicators-Attachment B. ACF Programs that utilize reporting forms or formats in addition to, or instead of, the ACF-OGM SF-PPR have listed the reporting requirements later in this section.

Grant award documents will inform grantees of the appropriate performance progress report form or format to use beginning in FY 2009. Grantees should consult their award documents to determine the appropriate performance progress report format required under their award.

Grantees will continue to use the Financial Status Report (FSR) SF-269 (long form) for required financial reporting.

Performance progress and financial reports are due 30 days after the end of the reporting period. Final program performance and financial reports are due 90 days after the close of the project period. Final reports may be submitted in hard copy to the Grants Management Office Contact listed in *Section VII. Agency Contacts* of this announcement.

The SF-269 (long form) and the ACF-OGM-SF-PPR may be found at http://www.acf.hhs.gov/grants/grants_resources.html.

Program Progress Reports: Annually

Financial Reports: Semi-Annually

Awards issued as a result of this funding opportunity may be subject to the Transparency Act subaward and executive compensation reporting requirements of 2 CFR Part 170. See ACF's [**Award Term for Federal Financial Accountability and Transparency Act \(FFATA\) Subaward and Executive Compensation Reporting Requirement**](#) implementing this requirement and additional award applicability information.

According to Section 154(e) of the DD Act, entities designated as UCEDDs must submit an Annual Report that provides information for the ADD system of program accountability. This system is designed to:

- Monitor entities that received funds under the DD Act of 2000 to carry out its activities;
- Determine the extent to which the entities have been responsive to the purpose of the DD Act of 2000; and
- Determine the extent to which the entities have taken actions consistent with the policy described in Section 101(c) of the DD Act of 2000.

The ADD system of program accountability is comprised of three parts: (1) the UCEDD reporting requirements, (2) Indicators of Progress for the National Network of UCEDDs, and (3) Government Performance and Results Act (GPRA) measures.

Part 1 of the UCEDD Annual Report template requires that grantees submit information on progress made in the previous year towards achieving the projected goals for the UCEDD, including:

- The extent to which the goals were achieved;
- A description of the strategies that contributed to achieving the goals; and
- To the extent the goals were not achieved, a description of factors that impeded the achievement.

The UCEDD should provide a report on the manner in which funds paid to the UCEDD for a fiscal year were expended; information on proposed revisions to the goals; and a description of successful efforts to leverage funds, other than funds made available to support the operation and administration of the UCEDD, to pursue goals consistent with the UCEDD program.

Part 2 of the report requires grantees to provide information on Indicators of Progress for the national network of UCEDDs. Indicators of Progress describe and measure the:

1. Satisfaction of individuals with developmental disabilities with the advocacy, capacity building, and systemic change activities provided by the UCEDD;
2. Extent to which the advocacy, capacity building, and systemic change activities provided through the UCEDD result in improvements in the ability of individuals with developmental disabilities to:
 - a. Make choices and exert control over the type, intensity, and timing of services, supports, and assistance that the individuals have used;
 - b. Participate in the full range of community life with persons of the individuals' choice; and
 - c. Access services, supports, and assistance in a manner that ensures that such an individual is free from abuse, neglect, sexual and financial exploitation, violation of legal and human rights, and the inappropriate use of restraints and seclusion.
3. Extent to which the State Developmental Disabilities Council, the Protection and Advocacy System, and UCEDD collaborate with each other to achieve the purpose of this title and the policy described in Section 101(c).

The measures serve as indicators describing progress achieved through advocacy, capacity building, and systemic change activities undertaken by the national network of UCEDDs. Progress achieved through the advocacy, capacity building, and systemic change activities must be reported by core functions and the areas of emphasis (e.g., quality assurance, education and early intervention, child care, health, employment, housing, transportation, recreation, and other services available or offered to individuals in a community, including formal and informal community supports, that affect their quality of life).

When collecting consumer satisfaction data, UCEDDs must ensure the protection of the informant's confidentiality to the extent permitted by law. Information gathering techniques for the collection of consumer satisfaction data are to be conducted without inclusion of names or other identifying information of the respondents. Respondents are to be assured that the information they provide is confidential and will be used for the stated purpose for which it was collected. In addition, respondents are to be assured that their participation evaluating satisfaction is voluntary. In keeping with ADD practices with respect to cultural competence and the Americans with Disabilities Act (ADA), alternative formats must be made available. In conducting the evaluative activities, the UCEDDs will ensure the respondents' confidentiality in a variety of formats, including oral and written statements. If UCEDDs use written survey techniques, a standard written statement about confidentiality must be included. All statements about confidentiality will explain that responses are voluntary, confidential information will not be shared with others, and answers will be used for the purpose for which they were collected. In keeping with agency practices with respect to cultural competence issues, literacy, and visual or auditory ability, alternative formats will be made available.

Part 3 of the report requires grantees to provide data for the Government Performance Results Act (GPRA) measures. These are two measures that report on activities related to the interdisciplinary pre-service preparation and continuing education core function.

ADD uses the *UCEDD Annual Report Template* approved by the Office of Management and Budget (OMB Control Number 0970-0289, expiration date 01/31/2012 to capture the information outlined above. The average number of hours per response is 200 hours. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The applicant must describe how they will use the *UCEDD Annual Report Template* to

evaluate program outcomes and impacts. This should include a description of a logic model for evaluating program results and the methodology for evaluating results.

Developmental Disabilities Assistance and Bill of Rights Act of 2000 Assurances

- The entity designated as the UCEDD will meet statutory and regulatory requirements that apply to Centers.
- The entity designated as the UCEDD will address the projected goals and carry out goal-related activities in a manner consistent with the objectives of the DD Act of 2000.
- The goal-related activities must be:
 - Based on data-driven strategic planning;
 - Developed in collaboration with the CAC;
 - Consistent with, and to the extent feasible, complement and further the State Developmental Disabilities Council goals contained in the State plan, the goals of the State Protection and Advocacy System, and the other University Center(s) in the State; and
 - Reviewed and revised annually, as necessary, to address emerging trends and need.
- Funds made available through the grant will be used to supplement, and not supplant, the funds that would otherwise be made available for activities related to interdisciplinary pre-service preparation and continuing education, community services, research, and information dissemination.
- The entity designated as the UCEDD will protect the legal and human rights of all individuals with developmental disabilities (especially those individuals under State guardianship) who are involved in activities carried out under programs assisted by the DD Act of 2000.
- The entity designated as the UCEDD will maintain a CAC that:
 - Includes a majority of individuals with developmental disabilities and family members of such individuals;
 - Also includes representatives of: The State Developmental Disabilities Council; State Protection and Advocacy System; and the other UCEDD(s) in the State; a self-advocacy

organization described in Section 124(c)(4)(A)(ii)(I) of the DD Act of 2000; and organizations that may include Parent Training and Information Centers assisted under Sections 671 and 672 of the Individuals with Disabilities Education Improvement Act of 2004, entities carrying out activities in assistive technology authorized under Sections 4 or 5 of the Assistive Technology Act of 2004, relevant State agencies, and other community groups concerned with the welfare of individuals with developmental disabilities and their families;

- Reflects the racial and ethnic diversity of the State;
 - Is consulted regarding the development of the five-year plan, participates in an annual review, and comments on progress in meeting projected goals; and
 - Meets as often as necessary, but at a minimum of twice during each grant year.
- To the extent possible, the infrastructure and resources obtained through funds made available under the grant will be utilized to leverage additional public and private funds to successfully achieve the projected goals developed in the five-year plan.
 - The director of the UCEDD will hold appropriate academic credentials, demonstrate leadership, have expertise regarding developmental disabilities, have significant experience in managing grants and contracts, and have the ability to leverage public and private funds; and will allocate adequate staff time to carry out activities related to each of the four core functions.
 - The entity designated as the UCEDD will educate and disseminate information related to the purpose of the DD Act of 2000 to the legislature of the State in which the Center is located and to Members of Congress from the State.
